

Better Lab Tests Now

for a better life forever

Blood draw locations & phlebotomists do NOT have test kits. **You must have a test kit prior to scheduling.** The test kit must be picked up or dropped off for shipping the **same day** as the blood draw (**do not** use a Drop Box or Access Point)

TRAVALAB®

TravaLab has been developed to create a mobile service that enables access to all patients and seeking healthcare services Nationwide. To Schedule Call **800.921.6933** or visit <https://www.travalab.com/scheduling/>
